“A Place at the Table: African-Americans on the Path to Sainthood”

1:30pm in the Faith Formation Building—provided by the Solidarity Committee, sub-committee of Social Ministry.

This powerful and spiritually enriching film delves into the lives of six African-American being considered for Sainthood. Through the Voices of Priests, Religious and Lay people, we'll explore their profound journeys of faith, resilience and service. All are welcome to join us for this insightful and inspiring event. Let's come together as a parish to honor their legacy and reflect on their path to holiness. Enjoy fellowship and refreshments after the movie. We look forward to seeing you there!

The Solidarity Committee Open Wide Your Hearts invites you to celebrate February the month of Black History, by watching a documentary right in your own comfy home. The documentary, **North to Freedom**, will appear on PBS station on February 17th at 8:00pm. The documentary identifies abolitionists in upstate NY and Pennsylvania and features the work of John W. Jones, The Park Church, and many other prominent citizens as they assisted Black slaves seeking freedom.

During this holy Jubilee Year, we are alert to the opportunities to be a *tangible sign of hope* for brothers and sisters who experience hardships of any kind. US international life-saving humanitarian and development assistance makes up less than 1% of the annual federal budget. Catholic Relief Services has received grants through this US aid program to improve the health of mothers/babies, feed children so that they come to school, help farmers be more productive, dig wells, respond to earthquakes-floods in the poorest countries around the world! These projects nurture hope, well-being and self-sufficiency, save lives, and create friends for the United States. The President has frozen spending on US foreign assistance leaving Catholic Relief Services without funds to continue this life-saving work.

Contact our US House Representative, Nick Langworthy (Corning office 607-377-3130) and leave this message: ***I am deeply concerned about the elimination of US foreign assistance that helps the poorest countries with humanitarian and development aid. Please encourage the President to lift the stop work orders on US foreign assistance and let this life-saving aid flow. Catholic Relief Services projects around the world foster hope and self-sufficiency and make friends for our country.*** Be sure to leave your name and county. This phone call will take a minute or two, but can make a big impact. Thank you for caring.
